

Vie for the Kids Partners with The Hartford Yard Goats

August 16, 2019 – Vie for the Kids, Inc. and the Hartford Yard Goats joined together last night to host a pediatric cancer patient and his family for a ballgame versus the Portland Sea Dogs at Dunkin' Donuts Park. Members of the Vie for the Kids team participated in the opening ceremonies on a beautiful night at the park and facilitated a raffle during the game to raise funds for pediatric cancer research.

“It was a great opportunity to give a young patient and his family some time to focus on an activity outside of the hospital and hopefully have a little fun” said President of Vie for the Kids, Sue Anderson. “We really appreciate the generous support from the Yard Goats and the fans in attendance.”

The Yard Goats defeated the Sea Dogs by a score of 5 – 3 to cap off a memorable evening at the park.

The mission of Vie for the Kids is to improve treatment options and outcomes for pediatric cancer patients by raising money for clinical trials programs at Connecticut hospitals.
